1-1-1

Extended show and tell

The May meeting is going to be extended show and tells. I'm looking for a half dozen or so people to give brief talks - maybe 5 minutes or so - on something in their collection.

At our last meeting Bill Kamb volunteered to update us on his circulation finds, Kevin offered to discuss his collection of coins dated 1966 and Geoff is going to talk about a Curacao coin. If you have a coin you're especially interested in, it's a great time to talk about it.

Please contact Dan Carroll - [reply.2.daniel@gmail.com](mailto:reply.2.daniel@gmail.com) or 607-444-1793 - if you can contribute.

3-3-3

Board of directors

The next meeting is at 7 p.m. Tuesday, May 14 at EES Group, 6321 Irelan Pl. Dublin. All are welcome.
